I am interested in serving on the AOCE Board as Board Member for Non Custody. I have been attending the AOCE E-board and general union meetings for the last few years since transferring to the Oregon State Penitentiary. I am interested in learning more about how the union works and in serving the membership in a greater capacity and making sure that our non custody staff is well represented.

I have served on other boards in the past such credit union, ambulance and church boards. I have also served on policy and bylaw committees, writing polices and rewriting bylaws. I really appreciate our AOCE union and the board members we have and look forward to working with them in the future.

I have served as a volunteer EMT, volunteer dispatcher at a city police department, volunteer probation officer, as well as working with the elderly. Volunteerism is an important part of my life.

Thank you,
